

## Suffield Veterinary Hospital November 2011 Patient of the Month

Meet "Quincy," owned by Linda Postemski of Suffield, pictured in the very cute photo below taken by Lori Radke:

*Hello everyone! My name is Quincy Chase Postemski and I was born in Boston on June 2, 2007. I am a schnoodle, which is a part schnauzer and part poodle breed. I live happily in Suffield with my pet mom Linda Postemski. She thinks I'm pretty smart because I know the names of several of my stuffed toys. All she has to do is say "get Tiger," "Leo Lion," or "Hermi, the frog" and I'll fetch them. They are*

*just three of my favorites. She is so delighted — and I get to play! I also help around the house. When we are upstairs and I have a toy, I bring it back downstairs so my pet mom doesn't have to pick up after me. I have a large yard and love being outdoors, running and playing with my canine buddies that visit me. I also enjoy catching a frisbee-like toy. It is a lot of fun. I try to jump and catch it before it hits the ground. Well, as you can see I am a busy little guy. Thank you Dr. Huntington and staff for keeping me healthy!*

Owner Linda Postemski says she specifically chose Quincy after seeing another schnoodle owned by a friend. She was instantly hooked on the breed. Linda was attracted by the size as well as intelligence and affectionate nature of schnoodles. When she went to the breeder to see the litter, her choice was between one male and one female puppy. Linda originally wanted the female, but when she saw Quincy, he jumped up to her and it was love at first sight! There wasn't a dry eye in the place. Everyone saw the pure joy of human and animal connection.

Suffield Veterinary Hospital is proud to name Quincy our November 2011 Patient of the Month because of his cleverness knowing all the names of all his toys, and because he's really cute and sweet.
